

MARY WALKER SCHOOL DISTRICT 207

Report Card

Summer 2020

Report Card 2020

The Mary Walker School District is comprised of three school buildings (1 high school, 1 middle school and 1 elementary school) and one administrative office. The district has 35 certificated teachers, 2 preschool teachers, 12 para-educators, 5 AmeriCorps volunteers, 9 support staff, 9 bus drivers and one mechanic. Our school qualified for CIP program, which allows ALL students to receive free breakfast and lunch. This special program is good for one more year.

We are located in a quiet rural setting approximately 45 miles north of Spokane. The district is governed by a five member board of directors. The directors are tasked with setting policy, approving the operation and finances of the district.

SPRINGDALE ELEMENTARY AND MIDDLE SCHOOL BUILDING

MIDDLE SCHOOL

The middle school has 4 full time highly qualified teachers, 2 part time teachers for P.E. and Art. There are three para-professionals who support students in the classroom. The middle school uses Summit Learning as their platform for curriculum for all students 6th-8th grades. Each student has a chrome book assigned to them which makes it ideal to work independently and track their own learning.

ELEMENTARY SCHOOL

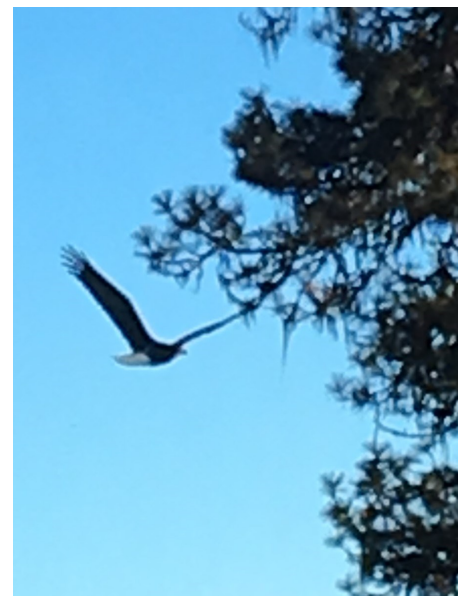

The elementary school has 9 very highly qualified teachers in grades K-5 and two highly qualified preschool teachers, (one ECEAP, one Parent Program). The elementary also has 5 AmeriCorps volunteers and 6 para-professionals.

The student to teacher ratio is approximately 20 to one. This allows for small group instruction and individualization.

The elementary school holds many events which give parents opportunities to participate in their child's education. Please check on our website (<http://www.marywalker.org>) or Facebook page for updated information.

HIGH SCHOOL:

The Mary Walker High School employees 9 teachers who teach multiple subjects for which they are highly qualified for. There are 3 para-professionals, a counselor and one office manager. The district supports individual learning opportunities by supporting running start programs, and skills center programs. The high school has AP classes, CTE classes and college in the classroom (where students can earn college credit for passing the class).

2018-19 Total Expenditures: \$7,174,804
2018-19 Total Fund Balance: \$108,263

LEVY INFORMATION:

A general maintenance and operations levy was passed in 2017. The levy amount collected for 2018-2019 was \$286,741. These funds are used to support the operation of our schools.

GRANTS:

In 2018-2019 school year the Mary Walker School District received a grant from the state for \$190,000. This grant was used to improve sidewalks, add lighting to the parking lot, new bleachers for the middle school gym and pavement for the north side entrance to the back of the school. In 2019-2020 the Mary Walker School District received two grants from the state in the amounts of: \$72,681 to build a covered outdoor play structure for the elementary and middle school use, improve the basketball area on the elementary playground, exercise equipment for the middle school and high school. A second grant in the amount of: \$73,168 to be used for ADA accessible play equipment for elementary students, outdoor sensory equipment and repair ADA access from the parking lot to the district office and K-8 building.

ADMINISTRATIVE:

In the 2019-2020 school year the district moved to having three excellent principals: 1 elementary principal/teacher, 1 middle school principal/teacher and 1 high school principal/teacher. Both the elementary and middle school principals also teach a class and are paid at their normal teacher wage, so we did not increase spending in the district. The high school principal took a significant cut to his salary to help with the financial budget of the district. The result of this configuration has brought very important improvements to student achievement. The middle school has
