Because we cannot repair the power adapter, students must always cover the cost of damage to, or loss of the power supply/cord.

Mary Walker School District
Chromebook Insurance | 2020-2021 School Year

The educational program at your student's school includes a Chromebook that will be issued to your student for their use at school and home. We are very excited to be able to make these powerful tools available to our students. We also understand that both students and parents are concerned about keeping these tools secure and in good working order.

Like textbooks, team uniforms and other school property issued to your student, there is a responsibility to take appropriate care of these valuable resources. The Chromebook is no different, but it does represent an increased cost to the district and liability to students and parents. We know that loss and accidents will happen. District policies, regulations and practices require that a fee be levied to cover the repair or replacement cost of district property. With computing devices, like the Chromebooks, the cost of loss or damage can be significant.

The district provides Chromebook Insurance as a way for families to reduce the financial risk if a Chromebook is accidentally damaged, stolen, vandalized. Working as a team we can lessen the impact of an accident or theft.

COVERAGE AND BENEFIT: This insurance covers the Chromebook loaned to the student against all accidental damage, theft, vandalism or loss for one (1) school year. This program does NOT cover damage or loss of the power cord, which we ask students to keep at home. This program does NOT cover intentional misuse, abuse or neglect by any household members. If the student did not exercise proper care and/or take appropriate precautions, as described in the student handbook, and this behavior resulted in damage to or loss of the Equipment, the cost of the repair or replacement will be the responsibility of the student/parent.

Full Replacement Cost Schedule

Chromebook:	\$250.00
Broken Screen:	\$50.00
Missing Keys/Broken Keyboard:	\$75.00
Lost/Stolen/Broken Power Adapter:	\$40.00

THEFT: If the Chromebook is stolen, the Mary Walker School District will require that a police report be submitted. Fraudulent reporting of theft will be turned over to the police for investigation. A student making a false report will also be subject to disciplinary action.

LOSS: If the Chromebook is lost, the district will cover the cost for the first loss minus a \$50 deductible. If a second loss occurs, the student will be issued a replacement Chromebook only after full payment is received. In the event that a lost Chromebook is recovered in working condition, the replacement cost previously paid by student/parent will be refunded. Any subsequent loss will be charged to the parent/student at full replacement cost. *Any Chromebook lost or stolen will be remotely disabled and all functionality removed until the Chromebook is returned.*

Students who withdraw or leave the Mary Walker School District and do not return the student issued Chromebook will be subject to a fine and possibly reported to the local law enforcement as having possession of a stolen device. The Chromebook will be remotely disabled and all functionality removed until the Chromebook is returned.

**If you choose not to purchase MWSD Chromebook Insurance,
you will be responsible for the full cost for repair due to damage
or replacement of the Chromebook.**
