

Mary Walker School District Parent/Teacher/Student Learning Compact

Mary Walker School District is committed to providing quality educational opportunities which insure that each student has the opportunity to reach their fullest potential in a safe, caring environment.

As a PARENT/GUARDIAN I will do my personal best to:

- Teach my child, by examples, to have respect for themselves and others in words and actions.
- Become more involved in school by volunteering my time, attending conferences, and communicating with teachers on a regular basis.
- Support the school's discipline policy and be willing to listen to their input concerning my child's behavior and academic needs.
- Encourage my child through attention, participation, and interest in his or her learning.
- See that my child attends school regularly, on time, and well rested.

As a TEACHER I will do my personal best to:

- Inform parents about current topics of study on a regular basis.
- Maintain clear lines of communication between home and school about academics and behavior.
- Notify parents immediately with discipline concerns or referrals.
- Know each child's individual strengths and use these to enhance future learning.
- Set high standards for all students.
- Provide a safe physical and emotional environment for all students.
- Inform parents about workshops and trainings for parents.
- Continue to learn and grow as a teacher, modeling life-long learning.

As a STUDENT I will do my personal best to:

- Respect others and school property, as well as myself.
- Cooperate with students and staff.
- Invest in an "I can" attitude.
- Be prepared each day.
- Help keep our school safe for everyone.
- Do my best.
- Express myself in a positive, honest, and respectful way.

As a PRINCIPAL I will do my personal best to:

- Promote a safe and caring environment for all.
- Promote life-long learning among the entire community.
- Provide opportunities for parents to learn how best to help their child succeed.

I have read and understand the Mary Walker School District Learning Compact.
