News from the Nurse

We hope you all had a wonderful summer. Here are a few things to remember to do before you return to school:

1. Washington State immunization law requires pre-school, kindergarten, 1st and 6th grade students to have the Varicella vaccine (CHICKEN POX), or have had the disease, unless exempt for medical, personal or religious reasons. Please update your child immunization record during the first week of school. State law requires that children with immunization records not up to date be excluded from school.

2. Medicine-At-School forms are only good for one school year. If your child has Asthma, Diabetes, or

severe allergies, you need to have a new Medicine-At-School form completed by your doctor prior to starting school. You may pick up the forms from the school office. This would also include all children who need to take over-the-counter medication at school. (If the form is filled out and signed by the parent, the nurses would be happy to fax it

to your doctor for a signature).

3. If your child has an inhaler, epi-pen or diabetic medication, make sure they have it at school the first day. They will be excluded from activities such as field trips and sent home if the medication is not at school.

As always, if your child has developed any new medical conditions over the summer break please call the office prior to the start of the school year so we can have everything in order prior to your child starting school.

**Washington is a
"No-Shots - No School" state!**

School Barbeque and Open House

On Wednesday, September 17, 2008, we are hosting a Pot Luck Picnic for all district families. This will be an opportunity to meet the faculty, tour the classrooms, and get information about Core Knowledge (K-5) and Advanced Placement (9-12).

Open House will begin at 5:30 p.m. and the picnic will begin at 6:30 p.m. The District will provide all the food, paper plates, utensils, and beverages.

We Hope To See You There!

Homeless and Migrant Worker Students

Mary Walker School District, and all school district in Stevens County, will have programs to assist homeless and migrant worker students and their families. The program's purpose is to help these students to be successful in school and reduce the barriers to enroll-

ment in school.

Homeless students include children living in homeless shelters, any student who does not have a steady place of residence or lives in a temporary residence, those living in inadequate housing, and/or students

who are runaways or throwaways. Migrant workers are defined as any students who travels out of the area to work. If you are interested in receiving more information about this program, please contact the Springdale Elementary/Mid School at 258-7357.

Mary Walker School District No. 207 recognizes its responsibility to maintain a drug-free workplace. In recognition of that responsibility, no employee engaged in work shall unlawfully manufacture, distribute, dispense, possess or use on or in any Mary Walker building, premises, assigned work location, vehicle, or activity, any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, any controlled substance or alcohol.

As a condition of employment, each employee shall abide by the terms of this policy respecting a drug-free workplace. An employee who violates the terms of this policy may be suspended, discharged or non-renewed in accordance with the provisions of board policy and state law.

An employee may be required to satisfactorily complete a drug rehabilitation or treatment program approved by the superintendent or designee at the employee's expense. Notification of Rights Under The Family Educational Rights and Privacy Act (FERPA) For Elementary and Secondary Institutions

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.

Parents of eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading.

Parent or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

* State Law Qualification: Although FERPA allows 45 days to honor a request, the state policy records law requires an appropriate response to a “public records” request within five business days. RCW 42.17.320

[NOTE: In addition, a school may want to include its directory information public notice, as required by 99.37 of the regulations, with its annual notification of rights under FERPA.]

A copy of this notice is also available on our website at www.marywalker.org

Transportation Information

Bus scheduling will remain the same as last year. On the morning of August 27th, students will be picked up where they boarded the bus last year. Families affected by route changes will be notified directly by the District Transportation Department. noted (please check the website at www.marywalker.org for updates).

If you ever have any concerns regarding busing, please feel free to contact the district's Transportation Supervisor, Steve Thams, at 258-9041.

school closure. For schedule changes during bad weather, please tune into one of the following radio stations for announcements district wide:

Special Forms for Home-School Parents

In compliance with state law, parents providing home-based instruction to their children must file a statement with their local school district. Forms are available at the District Office.

The statement must be filed by September 10, 2008 or within two weeks of the beginning of the school quarter, trimester or semester. It should include the name and grade of the child being home schooled and whether or not the home-based instruction will be supervised by someone with a teaching certificate.

Parents living in this school district can file the statement with the District Office weekdays between 8:00 a.m. and 4:00 p.m.

Childfind

Mary Walker School District No. 207 provides many programs at no cost. We offer special programs such as speech therapy, physical therapy, Title I/LAP, Special Education, academic programs and preschool classes to children 3 years and older. Developmental screenings and/or comprehensive assessments for children who are suspected of having a disability are also available at no cost for persons between the ages of birth through 21. For further information, please contact:

Special Services

Student Attendance

Regular school attendance is vital to your child's academic success. But what about those times when your child is unable to attend due to health reasons, doctor or dentist appointments or family emergencies? The schools ask that you assist them by please calling the District's Absentee Line to excuse your child's absence. The main concern is for your child's safety and by communicating with the school everyone can be assured that your child is accounted for and safe.

So, the next time your child is not able to attend school, please take a moment to call the 24 hour absentee line at 323-1029. Just leave a brief message explaining your child's absence...that's all there is to it. Your support is greatly appreciated!

Parents' Right to Know

Springdale Elementary/Middle School and Mary Walker High School are school wide Title I schools. Parents of children in Title I schools may request information about the qualifications of their child's teachers. The following information may be provided to parents who request it:

- State qualification and licensing requirements for grade levels and subject areas

- Emergency or other provisional status where licensing criteria is waived
- Baccalaureate degree major and any other graduate certification or degree
- In addition, if services are provided to the child by a paraeducator, parents may be informed if he/she is 'Highly Qualified' according to NCLB regulation.

Confidentiality

Student records in the Mary Walker School District are kept confidential. Parents will be afforded an opportunity, upon request, to inspect and review all educational records during the school business hours within forty-five calendar days after the request has been made. The parent has the right to an explanation of these

records.

The School District presumes that a parent has authority to inspect their child's records unless the District has been advised otherwise through applicable state law governing such matters as guardianship, separation, and divorce. The district may charge a fee for copies of records which are made for parents.

Please Check In

The administration and staff of the Mary Walker School District encourage you to visit our schools to see all the fun and exciting things we are doing. A gentle reminder, however, that all visitor's are re-

quired to check in at the office when entering any of the district school buildings. This is a safety precaution for the protection of students and staff. You may be asked to wear a visitor's pass to confirm to school staff that you have indeed checked in. Your cooperation is appreciated as we all work together to assure a safe environment for our students.

Home-Based Alternative Learning

Mary Walker School District No. 207 currently offers two home-based ALE programs, Mary Walker Parent Partnership Program (MWPPP) and Springdale Academy, which are K-12th resource options designed by local parents with Mary Walker School District #207 to supplement and enrich the home-based school experience. These programs recognize the parent as the primary teacher, working with enrolled families to provide resources and workshops that may not be readily accessible from the

home. These workshops will often utilize the talents of local or surrounding area experts to provide stimulating learning experiences for the home-based ALE students.

For more information on either of these programs, please call MWPPP at 258-7342 or Springdale Academy at 937-2224.

You Are Invited!

The Mary Walker School Board of Directors meet in regular monthly meetings on the third Wednesday of each month. There may be a study session at 6:30 p.m., with the regular board meeting beginning at 7:00 p.m. Interested patrons, parents, students and teachers are welcome to attend. We hope to see you there!

Non-Discrimination Policy

The Mary Walker School District complies with all Federal and State rules and regulations and does not discriminate on the basis of race, color, national origin, sex or disability. This holds true for all students who are interested in participation in educational programs and/or extracurricular school activities. Inquiries regarding compliance and/or grievance procedures may be directed to the School District's Title IX/RCW28A.640 Officer and/or Section 504/ADA Coordinator:

Student Transfers

Students transferring into, or out of, the school district must apply before the start of school. Transfers are good for one year only, so a new application must be completed each year.

“By law, Washington schools cannot accept students who are not residents, nor transfer students who

are not residents, without necessary paperwork being completed,” according to Mary Walker School District No. 207 Superintendent Kevin Jacka. “Parents should file these papers as soon as possible.”

Information on transfers can be obtained by calling, 258-4534.

Lunches at School

Due to recent Federal and State regulation changes in nutritional guidelines, you may notice some different menu choices for students than in previous years. The new cafeteria supervisor, Shauna Steinhour-Oakes, will be working diligently to provide students with nutritious and delicious breakfast and lunch offerings.

The monthly menus will continue to be available at the school offices so that parents can plan their child (ren)'s meal choices. The current month's lunch offerings can also be found online by visiting our website at www.marywalker.org/lunch_menu.htm.

Be sure to notify the school nurse and the cafeteria supervisor if your child suffers from a food allergy.

If you have any questions, please feel free to contact the MWSD cafeteria at 258-4731.

News from Mrs. Henjum, PreK-8 Principal

I hope this letter finds all of you enjoying the sunny weather (we all waited so long to see and feel the warmth of the sun). If you haven't enjoyed the weather, might I remind you that there are only a few weeks left of summer! Wow, I cannot believe it!

All of you will be receiving your child's classroom assignment and supply list by the first week of August. However, if you do not receive this information please contact the office after August 13th. To help out with costs, we have supplied the following north side stores

with our supply lists: Fred Meyer, Target, Wal-Mart, Shopko, Kmart and Staples. Make sure you watch the Sunday paper ads for the best prices. Please get all of the supplies that you can that are on the list.

This will ensure that your child starts off the year with the necessary supplies.

The Elementary/Middle school office will open on August 13th if you have questions or would like to register a new student. Kindergarten testing will begin the week of August 18th. You will be contacted to set up a time for testing if you have a child entering kinder-

garten this fall.

For those of you keeping track of state test scores, WASL scores will be released in September. The district will get a "sneak peak" in August, with formalized scores released to the public in September. As soon as we get our scores, parents will receive a print out breaking down the test scores.

Hopefully all of you are excited to return to school! We miss your smiling faces and we look forward to an amazing year, full of new experiences! See all of you on August 27th!

Summer Wishes!
Ms. Henjum

Mary Walker High School Dress Code

The business of school is education and proper dress is an important responsibility we must all accept. The aim is not conformity, but good taste. Wearing clean clothes neatly is a reflection on your character and on the school. Student dress and personal appearance should not disrupt or distract from the learning environment. *Students who violate the dress code will not be allowed to attend classes until their apparel conforms to school standards.* The following items are **not** allowed:

- Skintight (**form revealing**), sagging, low-cut, suggestive see-through, or revealing clothing
- Bare midriff tops (**no midriff**

should be seen standing or in the sitting posture) or short skirts/shorts (no more than 5" measured above mid-knee when kneeling) Note: Exception may be made for school athletic uniforms i.e. cheerleading

- Clothing or hats with writing and/or graphics that are obscene, profane or suggestive, indecent slogans, pictures that show violence or drug related characters, or advertising alcohol, drugs, or tobacco, are prohibited. Hats are not allowed to be worn in the classroom during school hours or during cafeteria use. Hats are not allowed during school assemblies in the gym or auditorium. Hats may be worn in the hallways during

school hours and outdoors.

- Chains or other potentially dangerous items
- Any gang-related clothing or symbols; i.e. bandanas, colors, etc.
- Headgear (i.e. hats, caps, headbands, bandanas, hairnets, do-rags, etc.), and sunglasses are not to be worn in class.
- Sleeveless muscle shirts, fishnet shirts, tank tops, spaghetti straps (**all sleeveless shirts must have 'four-finger' width at the shoulder**), bike shorts, sleepwear, or undergarments
- No sleepwear (i.e. flannel pajama pants, slippers, etc.)
- Any other attire or grooming that is perceived by the administration as being detrimental to the educational process will not be allowed (colored hair, face glitter, etc.)

National School Lunch Program/School Breakfast Program
Public Release for Free and Reduced Price Meals
2008–09

The Mary Walker School District No. 207 announced its policy today for free and reduced-priced lunches/snacks and/or free or reduced-price breakfasts for children who qualify according to the eligibility standards below, for meals served under the National School Lunch and/or School Breakfast Programs. Each school and the school district's central office have a copy of the policy, which may be reviewed by any interested party.

Local school officials have adopted the following family size income criteria for determining eligibility:

Eligibility Scale for Free and Reduced-Price Meals July 1, 2008 to June 30, 2009						
Household Size	FREE			REDUCED-PRICE		
	Year	Month	Week	Year	Month	Week
1	\$13,520	\$1,127	\$260	\$19,240	\$1,604	\$370
2	18,200	1,517	350	25,900	2,159	499

5	32,240	2,687	620	45,880	3,824	883
6	36,920	3,077	710	52,540	4,379	1,011
7	41,600	3,467	800	59,200	4,934	1,139
8	46,280	3,857	890	65,860	5,489	1,267
Each Additional Household Member Add	+4,680	+390	+90	+6,660	+555	+129

Children from families whose income is at or below the levels shown are eligible for free or reduced-price meals.

Application forms, with a letter to parents or guardians, are being sent to all homes. To apply for free or reduced-price meals, households must fill out the application and return it to the school. Additional copies are available at the principal's office in each school. The information provided on the application will be used to determine eligibility and may be verified at any time during the school year by school or other program officials.

For school officials to determine eligibility, households must provide the following information listed on the application: the names of everyone in the household, the amount of income each household member received last month and where it came from, the signature of an adult household member and that adult's social security number. If the adult signing the application does not have a social security number, check the "I do not have a social security number box." For a child who is a member of a Basic Food household or Temporary Assistance for Needy Families (TANF) assistance unit, the household need provide only the child's name, the Basic Food or TANF, or FDIPIR case number, and printed name and signature of an adult member on the application.

NOTE: At this time, the following paragraph applies only to public school districts. The Department of Social and Health Services (DSHS) will download the names of all children age birth to 20 into the Office of Superintendent of Public Instruction (OSPI) Core Student Record Database. Information will include the child's first name, last name, middle initial, and date of birth. Upon receipt of this information, OSPI will match student names against the DSHS file and then make the "match" data available to each district via the Internet. Students will automatically qualify for free meals if their schools participate in the United States Department of Agriculture (USDA) Child Nutrition Programs. Households that do not want their child(ren) to participate in the free meal program should notify the child(ren)'s school.

Applications may be submitted at any time during the school year.

Under the provisions of the free and reduced-price policy, the designated approving official(s) will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the approving official on an informal basis. Parents wishing to make a formal appeal may make a request either orally or in writing to the fair hearing official **Kevin Jacka, Superintendent** for a hearing on the decision.

In certain cases, foster children are also eligible for school meal benefits. If a household has foster children living with them and wishes to apply for them, complete and submit an application.

The information provided by the household is confidential and will be used only for the purposes of determining eligibility and verifying data.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, or disability. Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410 or call (800) 795-3272 or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.

Message From Our Superintendent

School Will Be Starting Soon

August is here and that means we are thinking of school. First Day for students will be August 27th. All High School students participating in Volleyball or Cross Country will begin practices on August 25th. Football practice will begin on August 20th. Remember, you must have all your paperwork completed and a sports physical before you can start practice. Mid-school sports will begin on August 27th.

School Offices will be open to register new students and answer any questions you may have on August 13th. We are excited about the upcoming year at the Elementary/Mid School and at the High School. We believe that we are offering the best academic programs of any school in the area. The Mary Walker Board of Directors has made Academics a priority for the School District and the staff and administration are causing that priority to become a reality.

We encourage anyone who may be interested in the Mary Walker School District to contact: Jerry Dyar or Matt Cobb at the High School 258-4533; Cheryl Henjum at the Elementary/Mid School 258-7357; or Kevin Jacka, at the District Office 258-4534.

Kevin Jacka, Superintendent
