MARY WALKER

COLLEGE & CAREER COUNSELING

It's never too early or too late to think about college. For Seniors, there's still time to apply to college, financial aid and scholarships. The highest priority now is to complete the *Free Application for Federal Student Aid (FAFSA)*. Visit www.fafsa.ed.gov for an online FAFSA application.

After the FAFSA is completed, it is a great time to concentrate on scholarships ~ there are many available right now. All Seniors have access to a Class of 2013 website that lists current scholarships. If parents would like scholarship updates, send an e-mail to Mr. Dyar.

For all other High School and Middle School students, this is a perfect time to think about college and careers. Mr. Dyar is available for discussion before, during and after school hours. He is glad to assist students of all grade levels, and their families, plan for a good future.
