

Director Districts

It is the responsibility of the board of directors to establish the boundaries of the internal director districts of the school district, and to redistrict the director districts as necessary.

The board of directors, with the assistance of the administration, the Educational Service District and the State Redistricting Commission, will develop a plan of proposed director districts within eight months of any of the following events:

- A. Receipt of federal decennial census data;
 - B. Consolidation of the district with one or more other districts;
 - C. Transfer of territory to or from the district;
 - D. Annexation of territory to or from the district; or
 - E. Approval by a majority of the district's voters of a proposal to divide the district into director districts.
