

Student Health

The Superintendent will arrange for health services to be provided to all students. Such services will include but not be limited to:

- A. The maintenance of student health records;
 - B. The development of procedures at each building for the isolation and temporary care of students who become ill during the school day;
 - C. Consulting services of a qualified health specialist;
 - D. Vision (both distance and near) and hearing screening; and
 - E. Immunization records and screening.
