

FINANCIAL MANAGEMENTNotice and Conduct of Budget Hearings

Upon completion of the proposed district budget for the ensuing school year, notices shall be published in a local paper of general circulation in two successive weeks announcing the date, time and place of the budget hearing as required by law. The notice shall also state that any person may appear and be heard for or against any part of such budget. The last notice shall be published no less than seven days prior to the hearing. Copies of the proposed budget shall be made available at the district office by July 20.

The district shall submit one (1) copy of its budget to its educational service district for review and comment by July 20.
