

NONINSTRUCTIONAL OPERATIONSNutrition

The district shall provide school breakfasts and lunches which meet the nutritional standards required by state and federal school breakfast and lunch programs. Foods that do not meet the standard of at least 5% of the U.S. Recommended Dietary Allowance shall not be served in the schools until after the end of the last lunch period.

The superintendent shall establish rules for the sale of foods during the school day. To encourage the eating of nutritious breakfasts and lunches, competitive food services shall not be permitted to operate anywhere on school premises during breakfast and lunch periods.

Any food sales of an occasional nature must have the prior approval of the principal.
